**Last updated:** 2022.06.15.

Thank you for visiting [www.biosecgroup.com](http://www.biosecgroup.com) („Website"). By visiting our Website, you consent to the use of cookies and other tracking technology, from which you can find further information below. If you do not agree to our use of cookies and other tracking technology, please set your browser settings accordingly or do not use the Website. If you disable cookies on the Website, it may affect your user experience when using [www.biosecgroup.com](http://www.biosecgroup.com).

### **What are cookies?**

Cookies are small pieces of text files placed on your computer by websites you visit. Cookies are used to make websites work more efficiently and make the website more useful to you and provide information to the website owner.

For details on what information is collected by cookies on our Website and how we use that information, please see below.

### **How and why does SMP BioSec Ltd. use cookies?**

SMP BioSec Ltd. uses cookies to better understand how visitors use this Website. Cookies support our work to customise our Website to your personal needs, improve user-friendliness and to communicate to you elsewhere on the web. For the above reasons, some cookies are applied when you enter our Website.

### **How to control and delete cookies?**

There are more ways to manage your cookies:

- You can refuse your consent
- You can disable SMP BioSec Ltd. cookies by using your browser settings
- You can use software products that can manage cookies for you

Please note: If you choose to disable, reject or block our cookies, some parts of our website will not function fully or in some cases it will not be accessible at all.
